INTRODUCTION

The accompanying proxy, mailed together with this proxy statement, is solicited by and on behalf of the board of directors of Cavco Industries, Inc., a Delaware corporation ("Cavco"), for use at the annual meeting of stockholders of Cavco to be held on July 9, 2008, at 9:00 a.m. (M.S.T.), and at any adjournment thereof. The mailing address of Cavco's executive offices is 1001 N. Central Avenue, Suite 800, Phoenix, Arizona 85004. This proxy statement and accompanying proxy are being mailed to stockholders on or about June 9, 2008.

Purposes of the Annual Meeting

At the annual meeting, action will be taken on the following matters:

- (1) Election of two directors comprising a class of directors to serve until the annual meeting of stockholders in 2011, or until their successors have been elected and qualified;
- (2) Ratification of the appointment of Ernst & Young LLP as Cavco's independent registered public accounting firm for fiscal year 2009; and
- (3) Such other business as may properly come before the meeting.

Our board of directors does not know of any matters that may be acted upon at the annual meeting other than the matters set forth in the following pages.

Recommendation of the Board of Directors

Our board recommends a vote FOR the election of the nominees for director named in the accompanying proxy and a vote FOR the ratification of the appointment of Ernst & Young LLP as Cavco's independent registered public accounting firm for fiscal year 2009.

ABOUT THE MEETING

Who Can Vote

Record holders of common stock, par value \$.01 per share, of Cavco at the close of business on May 16, 2008 may vote at the annual meeting. On that date, the issued and outstanding capital stock of Cavco entitled to vote at the annual meeting consisted of 6,468,000 shares of common stock. Each holder of common stock will be entitled to one vote per share on the election of directors and each other matter that is described above or that may be properly brought before the meeting. There are no cumulative voting rights.

How You Can Vote

Stockholders can vote their shares of common stock at the annual meeting by voting and submitting the accompanying proxy by telephone, over the Internet, or by completing, signing, dating and returning the proxy in the enclosed envelope.

How Proxies Will be Voted

Shares represented by valid proxies received by telephone, over the Internet or by mail will be voted at the annual meeting in accordance with the directions given. If no specific choice is indicated, the shares represented by all valid proxies received will be voted FOR the election of the nominees for director named in the proxy and FOR the ratification of the appointment of Ernst & Young LLP as Cavco's independent registered public accounting firm for fiscal year 2009.

Our board does not intend to present, and has no information that others will present, any business at the annual meeting other than as is set forth in the attached notice of the meeting. However, if other matters requiring the vote of stockholders come before the annual meeting, the persons named in the accompanying proxy intend to vote the proxies held by them in accordance with their best judgment in such matters.

How to Revoke Your Proxy

You have the unconditional right to revoke your proxy at any time prior to the voting thereof by submitting a later-dated proxy, by attending the annual meeting and voting in person or by written notice to Cavco addressed to James P. Glew, Secretary, Cavco Industries, Inc., 1001 N. Central Avenue, Suite 800, Phoenix, Arizona 85004. No such revocation will be effective, however, unless received by us at or prior to the annual meeting. Attending the meeting does not revoke your proxy.

Quorum and Required Vote

The presence at the annual meeting, in person or by proxy, of a majority of the shares of common stock entitled to vote at the meeting is necessary to constitute a quorum. Abstentions and broker non-votes will be counted as present for the purpose of establishing a quorum.

The nominee for director receiving a plurality of the votes cast at the meeting in person or by proxy will be elected. The ratification of the appointment of Ernst & Young LLP as Cavco's independent registered public accounting firm will be approved if the proposal receives the affirmative vote of a majority of the shares entitled to vote on, and voted for or against, the proposal. Abstentions and broker non-votes will have no effect on the election of directors or the ratification of the appointment of Ernst & Young LLP.

Expenses of Soliciting Proxies

We will bear the cost of soliciting proxies for the annual meeting. Solicitation may be made by mail, personal interview, telephone or other electronic means by our officers and other employees, who will receive no additional compensation therefor.

ELECTION OF DIRECTORS AND RELATED MATTERS

Cavco's Restated Certificate of Incorporation and Amended and Restated Bylaws provide for the division of the board of directors into three classes, with the directors in each class to hold office for staggered terms of three years each. Each class of directors is to consist, as nearly as possible, of one-third of the total number of directors constituting the entire board. There are presently two directors in the class whose term expires at the 2008 annual meeting, two directors in the class whose terms expire at the 2009 annual meeting, and one director in the class whose term expires at the 2010 annual meeting. Each director holds office until his or her successor has been elected and qualified or until the director's earlier resignation or removal.

Joseph H. Stegmayer, a member of the board whose term expires at the annual meeting, will stand for re-election at the meeting. William C. Boor will stand for election at the meeting to fill the position formerly held by Michael H. Thomas, who notified the Company that he would not stand for re-election because of health reasons and not as a result of any disagreement. Mr. Stegmayer and Mr. Boor have been nominated for service as directors by our independent directors and the full board pursuant to the procedures described under "Director Nominating Process" below. Unless contrary instructions are indicated on the proxy, it is intended that the shares represented by the accompanying proxy will be voted for the election of these two nominees or, if the nominees become unavailable (which we do not anticipate), for such substitute nominees as the board shall designate. A plurality of votes cast at the annual meeting, in person or by proxy, is required to elect a board nominee. The nominees and the continuing directors furnished to Cavco the biographical information appearing below.

Recommendation of the Board of Directors

The board recommends that the stockholders vote FOR the election of Messrs. Stegmayer and Boor.

Our board of directors has determined that all the members of the board, other than Joseph H. Stegmayer, who is an employee of Cavco, are "independent" in accordance with (1) the applicable requirements of the Exchange Act, and the rules adopted by the SEC thereunder and (2) the applicable NASDAQ Marketplace Rules (the "NASDAQ Rules"), including Rule 4200(a)(15).

Director Compensation

Only non-employee directors are compensated for service as a director. Upon commencement of service, non-employee directors receive a one time grant of an option to purchase 10,000 shares of Cavco common stock. Annually, non-employee directors receive compensation in the form of a \$15,000 retainer fee, a grant of an option to purchase 2,500 shares of Cavco common stock, and an additional \$1,000 for each board meeting attended. Members of board committees also receive a fee of \$1,000 for each committee meeting attended and the chairperson of the Audit Committee receives an additional \$4,000 per year for such service.

All options awarded to non-employee directors have a seven-year term, a per share exercise price equal to the fair market value of a share of common stock of Cavco on the date of grant, and become exercisable at the rate of 25% on the date of grant and an additional 25% on each of the first three anniversaries of the date of grant. All rights to exercise the options terminate within four (4) months of the date that the non-employee director ceases to be a director of Cavco for any reason other than death or disability. However, if the non-employee director held the position for at least ten (10) years, the options will vest on the date that the non-employee director ceases to be a director and all rights to exercise the options will terminate three (3) years thereafter.

All board members are reimbursed for reasonable expenses of attending board and committee meetings.

DIRECTOR COMPENSATION

The following table provides information regarding compensation provided to the non-employee directors of Cavco during fiscal 2008.

Jack Hanna	22,000	---	42,966	---	64,966
Michael H. Thomas	27,000	---	42,966	---	69,966

(1) Amounts in this column include the annual retainer and meeting fees earned, regardless of when paid.

(2) Amounts in this column include the compensation cost recognized for financial statement reporting purposes under Statement of Financial Accounting Standards No. 123 (revised 2004) *Share-based Payment* (“FAS 123R”) with respect to awards of options (i.e. grant date fair value amortized over the requisite service period, but disregarding any estimate of forfeitures related to service-based vesting conditions). The amounts described include the fiscal year compensation cost for awards made in fiscal year 2008 using the FAS 123R modified prospective transition method. We describe the assumptions made in this valuation in Note 7 to the Consolidated Financial Statements filed with the Form 10-K for the year ended March 31, 2008. These awards are further described in the discussion below. As of May 23, 2008, each director had the following number of options outstanding: Mr. Bungler – 35,000 shares; Ms. Dout – 20,000 shares; Mr. Hanna – 11,250 shares; Mr. Thomas – 8,125 shares. Options are granted on the anniversary date of the Director’s initial election to the Board.

Board and Committee Meetings

During Cavco’s fiscal year ended March 31, 2008, our board held five regularly scheduled meetings. Each of our incumbent directors attended at least 75% of the meetings of the board and board committees on which they served in fiscal year 2008.

All board members are expected to attend our annual meetings of stockholders, unless an emergency or unavoidable conflict prevents them from doing so. At our 2007 annual meeting of stockholders, all directors serving at the time were present, with the exception of Jack Hanna who was unable to attend the meeting because of an unavoidable conflict.

Director Nominating Process

Selection by Independent Directors. The board of directors has adopted resolutions, as required by the NASDAQ Rules, providing for the nomination of directors by the independent directors of the board. Accordingly, the board of directors has not established a nominating committee. The board’s director nominating process involves independent directors and the entire board and promotes flexibility and independence. Generally, director nominees are identified and screened by all independent directors. For any nominee to be placed on Cavco’s ballot for voting by Cavco’s stockholders at any meeting of stockholders of Cavco, such nominee must first be approved by a majority of the independent directors of Cavco (excluding such nominee), and by a majority of the entire Board of Directors (first with the nominee abstaining, and then with the nominee voting). The board may form a nominating committee in the future at such time as the board determines that a committee structure is necessary or useful in the director nominating process. Mr. Stegmayer, with input from the full board, recommended Mr. Boor to

Cavco's independent directors for their consideration of him as a potential nominee for election as a director at Cavco's upcoming Annual Meeting of Stockholders, to be held July 9, 2008.

Director Qualifications. The independent directors evaluate potential director nominees according to the following criteria:

- decisions for nominating candidates are based on the business and corporate governance needs of Cavco and if the need for a director exists, then candidates are evaluated on the basis of merit, qualifications, performance and competency;
- the independent directors consider the composition of the entire board when evaluating individual directors, including the diversity of experience and background represented by the board; the need for financial, business, academic, public or other expertise on the board and its committees; and the desire for directors working cooperatively to represent the best interests of Cavco, its stockholders and employees, and not any particular constituency;
- a majority of our board must be comprised of "independent" directors in accordance with applicable NASDAQ Rules;
- we seek directors with the highest personal and professional character and integrity who have outstanding records of accomplishment in diverse fields of endeavor, and who have obtained leadership positions in their chosen business or profession;
- candidates must be willing and able to devote the necessary time to discharge their duties as a director, and should have the desire to represent and evaluate the interests of Cavco as a whole;
- candidates must be free of conflicts of interest that would interfere with their ability to discharge their duties as a director or that would violate any applicable law or regulation; and
- candidates must also meet any other criteria as determined by the independent directors, which may differ from time to time.

Nominations by Stockholders. Our bylaws also impose some procedural requirements on stockholders who wish to:

- make nominations for the election of directors;
- propose that a director be removed; or
- propose any other business to be brought before an annual meeting of stockholders.

Under these procedural requirements, in order to bring a proposal before an annual meeting of stockholders, a stockholder must deliver timely notice of a proposal pertaining to a proper subject for presentation at the meeting to our corporate secretary along with, among other specified information, the following:

- a description of the business or nomination to be brought before the meeting and the reasons for conducting such business at the meeting;
- the stockholder's name and address;
- the number of shares beneficially owned by the stockholder and evidence of such ownership;
- the names of all persons with whom the stockholder is acting in concert and a description of all arrangements and understandings with such persons; and

- the number of shares that such persons beneficially own.

To be timely, a stockholder must deliver notice:

- in connection with an annual meeting of stockholders, not less than 90 nor more than 180 days prior to the date on which the immediately preceding year's annual meeting of stockholders was held;
- in connection with a special meeting of stockholders to elect directors, not less than 40 nor more than 60 days prior to the date of the special meeting; or
- in connection with a special meeting of stockholders for purposes other than the election of directors, not less than 10 nor more than 60 days prior to the date of the special meeting.

In order to submit a nomination for our board of directors, a stockholder must also submit information with respect to the nominee that we would be required to include in a proxy statement, as well as other specified information. If a stockholder fails to follow the required procedures, the stockholder's nominee or proposal will be ineligible for election or other action and will not be voted on by our stockholders.

Audit Committee

Our Audit Committee is composed of three directors, Ms. Dout and Messrs. Bunger, and Thomas, who satisfy the independence requirements set forth in (1) Section 10A(m) of the Exchange Act and the rules adopted by the SEC thereunder and (2) applicable NASDAQ Rules. The Audit Committee functions under a charter, which was initially adopted by our board of directors on September 22, 2003, and amended on March 18, 2008. The Audit Committee Charter is posted on our website at www.cavco.com.

The board of directors has determined that one or more of the members of the Audit Committee meets the definition of "Audit Committee financial expert" as such term is defined under SEC rules. Jacqueline Dout, the chairperson of the Audit Committee, is currently the Chief Financial Officer of Pella Corporation, a large, privately held company that produces building products. Prior to that position, Ms. Dout was the Executive Vice President and Chief Financial Officer of Champion Enterprises, Inc., a publicly traded company that builds and sells manufactured homes. Accordingly, Ms. Dout is the Chairman of the Audit Committee and has been determined by the board of directors to meet the qualifications of an "Audit Committee financial expert" in accordance with SEC rules and similar sophistication requirements under the NASDAQ Rules.

The Audit Committee assists the board in its general oversight of (1) the quality and integrity of Cavco's accounting, auditing and financial reporting practices and processes, (2) the financial information to be provided to Cavco stockholders, (3) the systems of internal control established by management, the Audit Committee and the board, (4) compliance with Cavco's code of ethics, (5) the independence, qualification and performance of Cavco's independent auditors and (6) Cavco's internal and external audit process.

The following are certain key responsibilities of the Audit Committee:

- the selection, appointment, compensation, evaluation, retention and oversight of the work of any independent auditors engaged to issue an audit report or related work or performing other audit, review or attest services for Cavco, including all audit engagement fees, and approving all non-audit services;
- establishment of procedures for (1) the receipt, retention and treatment of complaints received by Cavco regarding accounting, internal accounting controls or auditing matters and (2) the confidential, anonymous submission by Cavco employees of concerns regarding questionable accounting or auditing matters;
- discuss the annual audited financial statements and quarterly financial statements of Cavco and other significant financial disclosures (including press releases, financial information and, if applicable, earnings guidance provided to analysts and rating agencies) with management and the independent auditors of Cavco;

- discuss policies with respect to risk assessment and risk management;
- prepare the report required to be included in Cavco's annual proxy statement regarding review of financial statements and auditor independence (the report for fiscal year 2008 is included below); and
- review and reassess at least annually the adequacy of the Audit Committee charter and recommend appropriate changes to the board.

The Audit Committee also reviews Cavco's corporate compliance program. The Audit Committee meets separately with the independent auditors, outside the presence of Cavco's management or other employees, to discuss matters of concern, to receive recommendations or suggestions for change and to exchange relevant views and information.

During the last fiscal year, the Audit Committee met four times. All of the members attended all of the meetings.

Report of the Audit Committee

To the Board of Directors of Cavco Industries, Inc.:

We have reviewed and discussed with management Cavco Industries, Inc.'s audited financial statements as of and for the year ended March 31, 2008.

We have discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended by Statement on Auditing Standards No. 90, Audit Committee Communications, by the Auditing Standards Board of the American Institute of Auditors.

We have received and reviewed the written disclosures and the letter from the independent auditors required by Independence Standard No. 1, Independence Discussions with Audit Committees, as amended, by the Independence Standards Board, and have discussed with the auditors the auditors' independence. We have also considered whether the auditors' provision of non-audit services to Cavco Industries, Inc. and its affiliates is compatible with the auditors' independence.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the financial statements referred to above be included in Cavco Industries, Inc.'s Annual Report on Form 10-K for the year ended March 31, 2008.

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

The purpose of this compensation discussion and analysis is to provide information about each material element of compensation that we pay or award to, or that is earned by, our named executive officers. For fiscal year 2008, our named executive officers were Joseph H. Stegmayer, our Chairman, Chief Executive Officer, and President; and Daniel L. Urness, our Chief Financial Officer, Vice-President, and Treasurer.

Overview

Our executive compensation program for our named executive officers is relatively uncomplicated, consisting of cash compensation comprised of base salary and a cash bonus, as well as awards of options to purchase shares of our common stock or grants of restricted stock. Generally, we do not offer perquisites to our named executive officers. We do not have a defined benefit pension plan or any other similar retirement plan; however our named executive officers are permitted to participate in Cavco’s 401(k) plan and other health and welfare programs that are available for all other full-time employees.

Compensation Committee

Our Compensation Committee of our Board of Directors reviews and approves, or recommends to the Board for approval, all salary and other remuneration for our executive officers and oversees matters relating to our employee compensation and benefit programs.

Benchmarking

Market pay levels are one of many elements used by Cavco to maintain competitive pay opportunities for our named executive officers. We consider our compensation peer group for benchmarking the CEO and CFO

compensation to include the following publicly traded manufactured housing companies: Cavalier Homes; Champion Enterprises, Inc.; Fleetwood Enterprises, Inc.; Palm Harbor Homes, Inc.; and Skyline Corporation.

Role of Compensation Consultants

The Compensation Committee has authority to retain compensation consultants in determining or recommending executive or director compensation pursuant to its written charter (including the sole authority to approve such consultant's fees and other retention terms). During the last fiscal year the Committee selected a compensation consultant; however, the Committee did not request the compensation consultant to conduct a review or issue a report.

Role of Management in Establishing and Awarding Compensation

The Compensation Committee or the Board, upon recommendation of the Compensation Committee, makes all compensation decisions related to our named executive officers. However, our Chief Executive Officer, with the assistance of the Human Resources Department and General Counsel, regularly provides information and recommendations to the Compensation Committee on the performance of the Chief Financial Officer, appropriate levels and components of compensation, including equity grants, as well as such other information as the Compensation Committee may request.

Objectives of Cavco's compensation programs

Cavco's executive compensation program is structured to achieve the following objectives:

- to attract, retain and motivate highly qualified, energetic and talented executives necessary for Cavco to deliver consistently superior results;
- to create an incentive to increase stockholder returns by establishing a direct and substantial link between individual compensation and certain financial measures that have a direct effect on stockholder values; and
- to create substantial long-term compensation opportunities for individual executive officers based not only on long-term corporate performance but also on sustained long-term individual performance.

Components of Executive Compensation

In structuring the specific components of executive compensation, Cavco is guided by the following principles:

- compensation programs should be performance based, market driven and stockholder aligned;
- annual compensation should be set within reasonable ranges of the annual compensation for similar positions with similarly-sized and similar types of companies that engage in one or more of the principal businesses in which Cavco engages;
- bonus payments should vary with the individual's performance and Cavco's financial performance; and
- a significant portion of compensation should be in the form of long-term, equity-linked incentive compensation that aligns the interests of executives with those of the stockholders and that creates rewards for long-term sustained company performance and the achievement of Cavco's strategic objectives.

The Compensation Committee attempts to structure its compensation programs to the named executive officers as performance-based compensation that is tax deductible. However, the Compensation Committee may award compensation that is or could become non-deductible when such awards are in the best interest of Cavco, balancing tax efficiency with long-term strategic objectives.

Base Salary

The Compensation Committee is responsible for recommending the base salary levels for the named executive officers. In developing salary amounts, the Compensation Committee reviews the salaries for similar positions in similarly-sized companies that engage in the manufactured housing business. In setting base salary levels, the Compensation Committee also considers the executive's experience level and potential for significant contributions to Cavco's profitability.

Mr. Stegmayer's employment agreement specifies an initial base salary and requires Cavco to review the base salary at such times as Cavco regularly reviews the compensation being paid to its executives generally (but no less frequently than once each year). Upon completion of such review, Cavco may in its sole discretion adjust Mr. Stegmayer's current base salary; however, Cavco may not decrease Mr. Stegmayer's then current base salary without his prior written consent. Mr. Stegmayer has declined an increase in base pay each year since April of 2004, when his salary was raised from \$225,000 per annum to the current amount of \$236,250 per annum. Mr. Urness, who does not have an employment agreement, had a base salary of \$150,000 in fiscal year 2008. Mr. Urness' base salary was set by the Compensation Committee based upon the recommendation of our Chief Executive Officer. See the Summary Compensation Table on page 16.

Incentive Bonus

Incentive compensation for Mr. Stegmayer is derived from his employment agreement and is based solely upon Cavco's earnings performance. Mr. Stegmayer receives a cash bonus in an amount equal to 3% of the first \$2.5 million of pretax income for the fiscal year and 6% of pretax income for the fiscal year in excess of such amount. See the Summary Compensation Table on page 16. Based on this formula, for the fiscal year ended March 31, 2008, on May 23, 2008, the Compensation Committee awarded Mr. Stegmayer a bonus in the amount of \$470,400.

Incentive Compensation for Mr. Urness is paid at the sole discretion of Cavco and is based upon the achievement of objective individual and corporate performance criteria set by the Chief Executive Officer and the Compensation Committee. On May 23, 2008, Mr. Urness was awarded a bonus in the amount of \$100,000. This bonus amount was based upon the Chief Executive Officer's and the Compensation Committee's determination that Mr. Urness successfully achieved the business objectives previously established for him by the Compensation Committee on June 1, 2007. The specific business objectives established by the Compensation Committee were in the areas of (i) accounting and finance, including budgeting, financial reporting, audit, and staffing; (ii) information technology; and (iii) operations, including expense and specified process improvements. See the Summary Compensation Table on page 16.

Long-Term Compensation

The existing stock incentive program of Cavco, which is subject to annual review and may be revised or superseded in the future, is designed to provide incentive to the participants under such program, which include the named executive officers, to focus on maximizing Cavco's return to stockholders and to plan and prepare properly for Cavco's future. Stock options or grants of restricted stock may be granted under the Cavco Industries, Inc. Stock Incentive Plan and the Cavco Industries, Inc. 2005 Stock Incentive Plan. All outstanding stock options have been granted under the Cavco Industries, Inc. Stock Incentive Plan.

There were no stock incentive awards made to Mr. Stegmayer during Fiscal Year 2008.

On June 1, 2007, consistent with Cavco's objective of creating incentives for its executive officers to increase stockholder returns by establishing a direct and substantial link to executive compensation, Cavco awarded to Mr. Urness a total of 786 shares of restricted common stock valued at \$30,000 and a non-qualified Option to purchase up

to 5,000 shares of common stock, each subject to a five year pro-rata vesting schedule commencing on the first anniversary of the grant date. See the Summary Compensation Table on page 16.

Perquisites and Other Compensation

Cavco does not offer perquisites. Mr. Stegmayer's employment agreement does provide for an automobile allowance; however, Mr. Stegmayer has never used this allowance. The named executive officers may participate in Cavco's 401(k) plan and other health and welfare programs that are available to all other full-time employees.

Employment, Severance, and Change in Control Agreements

The agreement, as amended in March 2007, provides for: (a) a term ending September 30, 2008, and is automatically extended for successive one-year periods unless the board or Mr. Stegmayer elects not to renew the term by notice to the other at least 90 days prior to the end of the three-year term or any renewal term; (b) an annual base salary of no less than \$225,000; (c) an annual cash bonus in an amount equal to 3% of the first \$2.5 million of pretax income for the fiscal year and 6% of pretax income for the fiscal year in excess of such amount; and (d) certain fringe benefits. During fiscal year 2008, Mr. Stegmayer declined any fringe benefits that are not generally available to salaried employees.

Mr. Stegmayer's Employment Agreement includes provisions for certain payments to be made upon his termination or resignation. If Cavco terminates Mr. Stegmayer's employment for cause, or if he voluntarily resigns prior to the occurrence of a Change in Control of Cavco at a time when there is no uncured breach by Cavco of the agreement, then in either case he is entitled to receive only his then current base salary on a pro rata basis to the date of such termination or resignation. If Mr. Stegmayer dies, or becomes disabled, or if Cavco terminates his employment without cause prior to the occurrence of a change in control, or if he resigns because of a breach by Cavco of this Agreement, then in each case Cavco must continue to pay his base salary for each fiscal year under the remaining term of the employment agreement and the average bonus (as defined in the agreement) for such year(s), plus an additional year of base salary, and average bonus and health insurance for such additional year. If within two years after the occurrence of a change in control of Cavco (a) Cavco terminates Mr. Stegmayer's employment hereunder for any reason other than for cause, or (b) he voluntarily resigns his employment hereunder for any reason, then in each case Cavco must pay to him a lump sum termination payment equal to two times the sum of his then current base salary and average bonus.

We do not have a written or oral employment, severance or change in control agreement with Mr. Urness. Certain Restricted Stock Award Agreements with Mr. Urness provide for full vesting of all restricted shares in the event of his termination of service, other than as a result of: (i) a termination for cause; (ii) a voluntary resignation when there is no uncured breach by the Company of any obligation or duty owed by the Company to him; (iii) disability; or (iv) death; however, Mr. Urness must have been in continuous service since the grant date.

Tax considerations

Section 162(m) of the Internal Revenue Code limits the deductibility of executive compensation paid by publicly held corporations to \$1 million for each executive officer named in this Proxy Statement. The \$1 million limitation generally does not apply to compensation that is considered performance-based. Non-performance-based compensation paid to the Company's executive officers for the 2008 fiscal year did not exceed the \$1 million limit per employee. The Company believes that its compensation policy satisfies section 162(m). As a result, the Company believes that the compensation paid under this policy is not subject to limits of deductibility. However, there can be no assurance that the Internal Revenue Service would reach the same conclusion. Moreover, the Company has change in control agreements with one of its executive officers, its Chief Executive Officer. The Company will not be entitled to a deduction with respect to payments that are contingent upon a change in control if such payments are deemed to constitute "excess parachute payments" pursuant to Section 280G of the Code and do not qualify as reasonable compensation pursuant to that Section; such payments will subject the recipients to a 20% excise tax. However, the agreements provide for a gross up of severance payments equal to the amount of any excise tax incurred by the officers.

Compensation Committee Report

The Compensation Committee of Cavco has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Ernst & Young LLP acted as Cavco’s independent registered public accounting firm to audit its books and records for fiscal year 2008, and the Audit Committee has appointed Ernst & Young LLP as Cavco’s independent registered public accounting firm for fiscal year 2009, subject to ratification by Cavco stockholders.

If the stockholders do not ratify the appointment, the Audit Committee will reconsider whether or not to retain Ernst & Young LLP, but still may retain them. Even if the appointment is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of Cavco and our stockholders.

Representatives of Ernst & Young LLP are expected to be present at the annual meeting, with the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions from Cavco stockholders.

Recommendation of the Board

The board of directors unanimously recommends a vote FOR the ratification of the appointment of Ernst & Young LLP as Cavco’s independent registered public accounting firm for fiscal year 2009.

Audit Fees

The Audit Committee has adopted policies and procedures pre-approving all audit and permissible non-audit services performed by Ernst & Young LLP. Under these policies, the Audit Committee pre-approves the use of audit and specific permissible audit-related and non-audit services up to certain dollar limits. Services that do not come under this authority must be pre-approved separately by the Audit Committee. In determining whether or not

to pre-approve services, the Audit Committee determines whether the service is a permissible service under the SEC’s rules, and, if permissible, the potential effect of such services on the independence of Ernst & Young LLP.

The aggregate fees billed for professional services by Ernst & Young LLP in the last two fiscal years are as follows:

GENERAL

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires Cavco directors and executive officers, and persons who beneficially own more than 10% of a registered class of Cavco’s equity securities, to file initial reports of ownership, reports of changes in ownership and annual reports of ownership with the SEC and NASDAQ. Such persons are required by SEC regulations to furnish Cavco with copies of all Section 16(a) reports that they file with the SEC.

Based solely on its review of the copies of such reports received by it with respect to fiscal year 2008 or written representations from certain reporting persons, Cavco believes that its directors, executive officers and persons who beneficially own more than 10% of a registered class of Cavco’s equity securities have complied with all filing requirements of Section 16(a) for fiscal year 2008 applicable to such persons.

Certain Relationships and Related Transactions

We have entered into Change of Control Agreements with certain of our executive officers. See above under “Compensation Discussion and Analysis – Employment, Severance and Change of Control Arrangements.”
