CAVCO INDUSTRIES REPORTS FISCAL 2018 FIRST QUARTER RESULTS

PHOENIX, August 7, 2017 – Cavco Industries, Inc. (NASDAQ: CVCO) today announced financial results for the first fiscal quarter ended July 1, 2017. On April 3, 2017, the Company completed the acquisition of Lexington Homes, Inc., which operates a manufactured and modular housing plant in Lexington, Mississippi. Since the acquisition date, the financial impact and fiscal quarter results from this new business are included in Cavco's consolidated financial statements presented herein.

Financial highlights include the following:

- **Net revenue** for the first quarter of fiscal year 2018 totaled \$206.8 million, up 11.7% from \$185.1 million for the comparable prior year period. The increase was primarily from improved home sales volume and a larger proportion of higher priced homes sold.
- **Income before income taxes** was \$15.7 million for the first quarter of fiscal 2018, an 86.9% increase from \$8.4 million income before income taxes in the comparable quarter last year. The improvement was from increased home sales as well as stronger earnings in the financial services segment compared to last year's first fiscal quarter, as the segment's prior year results were significantly impacted by high insurance claims activity.
- Income tax expense was \$3.9 million with an effective tax rate of 24.9% for the first quarter of fiscal year 2018 compared to \$3.0 million and an effective tax rate of 35.4% in the same quarter of the prior year. The current quarter contains a benefit of \$1.4 million related to the Company's required implementation of Accounting Standards Update No. 2016-09, Compensation-Stock Compensation (Topic 718): Improvement to Employee Share-based Payment Accounting, which, among other items, requires the Company to record excess tax benefits on exercises of stock options as a reduction of income tax expense in the consolidated statement of comprehensive income, whereas they were previously recognized in equity.
- **Net income** was \$11.8 million for the first quarter of fiscal year 2018, compared to net income of \$5.4 million in the same quarter of the prior year, a 118.5% increase.
- **Net income per share** for the first quarter of fiscal 2018, based on basic and diluted weighted average shares outstanding, was \$1.30 and \$1.28, respectively, compared to net income per share of \$0.61 and \$0.60, respectively, for the comparable quarter last year.

Commenting on the results, Joseph Stegmayer, Chairman, President and Chief Executive Officer said, "It is gratifying to report improvement in the Company's performance this quarter. Our manufacturing facilities have worked to increase production rates as a result of higher levels of incoming home sales orders, while remaining focused on home quality, design and value."

Mr. Stegmayer continued, "We are also pleased with our geographic market expansion in Mississippi and surrounding states via the acquisition of Lexington Homes. The integration process is underway and we look forward to positive contributions from this new addition in the future."

Cavco's management will hold a conference call to review these results tomorrow, August 8, 2017, at 11:00 AM (Eastern Time). Interested parties can access a live webcast of the conference call on the Internet at www.cavco.com under the Investor Relations link. An archive of the webcast and presentation will be available for 90 days at www.cavco.com under the Investor Relations link.
