2. Each performance based restricted stock unit represents a contingent right to receive one share of Cavco common stock and will vest after a three-year performance period at a level of 66.7% for "threshold" performance, 100% for "target" performance, and 150% for "stretch" performance levels based on the Total Shareholder Return relative to companies in the JP Morgan iDex Housing Index. The amount in column 5 reflects the number of shares that would vest assuming target level performance.
