FOR IMMEDIATE RELEASE

CAVCO INDUSTRIES REPORTS FIRST QUARTER RESULTS

Sales \$37.4 million

Net income \$1.7 million

PHOENIX, AZ - (July 26, 2007) – Cavco Industries, Inc. (NASDAQ: CVCO) today announced financial results for the first quarter of its fiscal year 2008 ended June 30, 2007.

Net sales for the first quarter of fiscal 2008 were \$37,366,000, down 31% from \$54,050,000 for the first quarter of fiscal year 2007.

Net income for the first quarter of \$1,735,000 decreased 60% compared with \$4,334,000 in the same quarter one year ago and net income per share based on basic weighted average shares outstanding was \$0.27 versus \$0.68. Net income per share based on diluted weighted average shares outstanding was \$0.26 versus \$0.65 last year.

Commenting on the results, Joseph Stegmayer, Chairman, President and Chief Executive Officer, said, "We are pleased to report positive earnings for the first quarter of fiscal 2008. Although net sales are off 31% from the same period last year, they have increased by nearly 11% sequentially compared to the prior quarter. The new Texas plant is now progressing as planned and although it has not yet attained profitability, we are encouraged by the retail interest in our product offering."

Mr. Stegmayer continued, "While we have seen a modest increase in order rates and our backlog has lengthened somewhat, we have not experienced meaningful improvement in the overall outlook for housing in the markets we serve. Accordingly, we will remain cautious about the near term until we witness some fundamental improvements in areas such as consumer confidence, housing demand, financing availability and the resale market for existing homes."

Cavco's senior management will hold a conference call to review these results tomorrow, July 27, 2007, at 12:00 noon (Eastern Time). Interested parties can access a live webcast of the conference call on the Internet at www.cavco.com under the Investor Relations link, or the web site www.earnings.com. An archive of the webcast and presentation will be available for 90 days at these website addresses.
